Solar Suomi Oy now expects settlement of the divestment of its business activities in January 2010

29 December 2009

Announcement no. 21 dated 3 November 2009 stated that Solar's Finnish subsidiary, Solar Suomi Oy, had begun negotiations for the divestment of its business activities to Ahlsell Oy.

Due diligence has now been undertaken. Final completion of the divestment is subject to the usual terms and conditions, and Solar expected this process to be completed in Q4 2009. Solar now expects settlement in January 2010.

The financial consequences remain that provisions resulting from the divestment of the activities of Solar Suomi Oy will not affect Solar A/S' expectations for group revenue and EBITA for 2009 but will generate costs of approximately € 1.5m which will be charged to the income statement under special items in Q4 2009, c.f. announcement no. 21.

Yours faithfully,
Solar A/S

Michael H. Jeppesen
